R4L

R4L continues to run well throughout Mozambique. In October, Jossefa traveled Tete, Zambezia, and Chimoio. The picture above is from his time in the North. Below, Jossefa is with the church leaders from Tete. It is exciting to see how the Church in Mozambique is expanding and R4L is apart of the discipleship in reaching the lost.

Sparrows

The children at Sparrows are finishing up another school year. Please pray for their exams. Maintenance is needed on the Top House as funding is not yet available. We just had a Steak Nite to assist with fundraising – this is going towards the maintenance of a security wall.

Ministry Updates | Prayer Requests

Back into life in Africa...

2 Corinthians 4:8-9 says, “We are pressed on every side by troubles, but we are not crushed. We are perplexed, but not driven to despair. We are hunted down, but never abandoned by God. We get knocked down, but we are not destroyed.”

Since returning from the States, we have faced many challenges with spiritual warfare, sickness, discouragement, and needing to refocus ministries. We are reminded to focus again on what God said to us and focus on His words.

In our last newsletter, we talked about the need to replace our 4x4 bakkie. This is still on the forefront of our minds as well as the added costs of living. Immigration costs rise. God owns all the cattle on a thousand hills. He has always provided and will continue to. We must trust Him for His timing. This verse is important: Many times we face struggles in life. We feel pressed from every side with the pushes and pulls of the world. We are knocked down with restructuring ministry. Yet, God helps us each step of the way to stay focused on him and pick us back up again.

Sewing Classes

The ladies of Fidel Castro Wesleyan have continued to make their goods. In September, we were able to sell all these items locally in Mozambique (Left). They also helped me to teach for a marriage seminar in Mabanwane. Together we made banana bread over open coals (Right).

Prayer Requests

- Visa Process - Breakthrough is needed in these areas for both Mozambique and South Africa.
- Rachel has started her Master's classes through SEU. Israel is planning to attend UNISA. We need God's wisdom as we step into this new arena.
- Wisdom – We need God's wisdom as we lead projects in Mozambique and South Africa as well as to raise our children and lead the family. We face spiritual warfare on a daily basis. We need God's protection and presence each step of the way.

Rbandzanani

Even though we are in a restructuring time at the school, programs are continuing to move forward as well as plans for next school year. This month, we plan to complete proper cement toilets at the school. Please pray with us as we need God's wisdom.

Bible School

In September, we celebrated another graduation. This year was encouraging with the depth of each student's spiritual lives. To the left is Teresa Marsony John. I taught her father back in the

late 2000s at the school: Another second generation of pastors coming through the Bible College.

Our Children

The kids are doing well in school. Their school year ends the first week of December. Please pray for them as they have exams so they can finish strong.

P.O. Box 506; Shirley, IN 47384
