R4L

In January, we traveled to Massinga to encourage the church with a Saturday seminar and Sunday service. Bongani and Futhi Langa joined us for the weekend, as well as Bongani assisted Israel and I in teaching on Saturday. Lots of laughs were shared by all over the weekend.

Below, Albertina, Jossefa's wife led a R4L seminar in the zone of Nhanpekeni, north of Xai-Xai. This is a church plant area. Reach 4 Life is being used to assist with discipleship of young and old believers alike.

Sparrows

Sparrows is celebrating 20 years of the organization. We just assisted with the Tarka Show where almost 1000 pancakes were made in 3 days.

Ministry Updates | Prayer Requests

Start of another year...

This year, it will be 15 years of life in Africa. I am amazed at the Lord's leading and mercy. I am also amazed to reflect on where I am today. I have been pondering this quote by Kathryn Kurlman, "God is not looking for golden vessels or silver vessels. He is looking for the willing vessels."

We pray for God's direction and guidance to always be willing vessels to go wherever he says to go and do what he says to do. God has given Israel and I opportunities to share our testimony recently in South Africa. It is amazing how God uses our broken, mended vessels. 2 Corinthians 4:7 says, "We now have this light shining in our hearts, but we ourselves are like fragile clay jars containing this great treasure. This makes it clear that our great power is from God, not from ourselves."

Many have said this year, 2020, will be a year of clear vision and clarity. We pray that for all of you as well as ourselves. May we always be willing vessels.

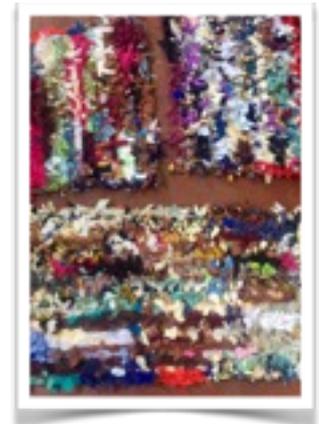

Prayer Requests

- Visa Process - Even through we have peace on this issue, we need a Breakthrough. God consistently reminds us that it is not in our might or power, but by God's hand that this will happen.
- Furthering Education - Continue to pray for Israel and Rachel in this area.
- Wisdom – We cannot reiterate this aspect of our lives enough. We are in continuous need of God's wisdom in every aspect of our ministry, projects, family life, and new areas of God's leading.

Sewing Classes

The ladies continue to improve their skills. To the right is some examples of their small carpets they are now making.

Rbandzanani

In continuation from our November newsletter, construction began in December on proper cement toilets at the school. Roofing was put on in January. We plan to work on plastering and floors this month. Please pray with us as we need God's wisdom.

Bible School

Classes started in February at the Bible College. Please pray for the new as well as returning students as they continue their theological education.

Our Children

Tristan and Jocie attended church camp in December. This was a wonderful time for them both for relational and spiritual growth.

Also, all the children completed another school year with very high marks. Right is Selma and Logan at their Grade R (Kindergarten) graduation. A new school year began in January: Tristan - 9th grade, Jocie - 3rd grade, Logan and Selma - 1st grade. (Left)
